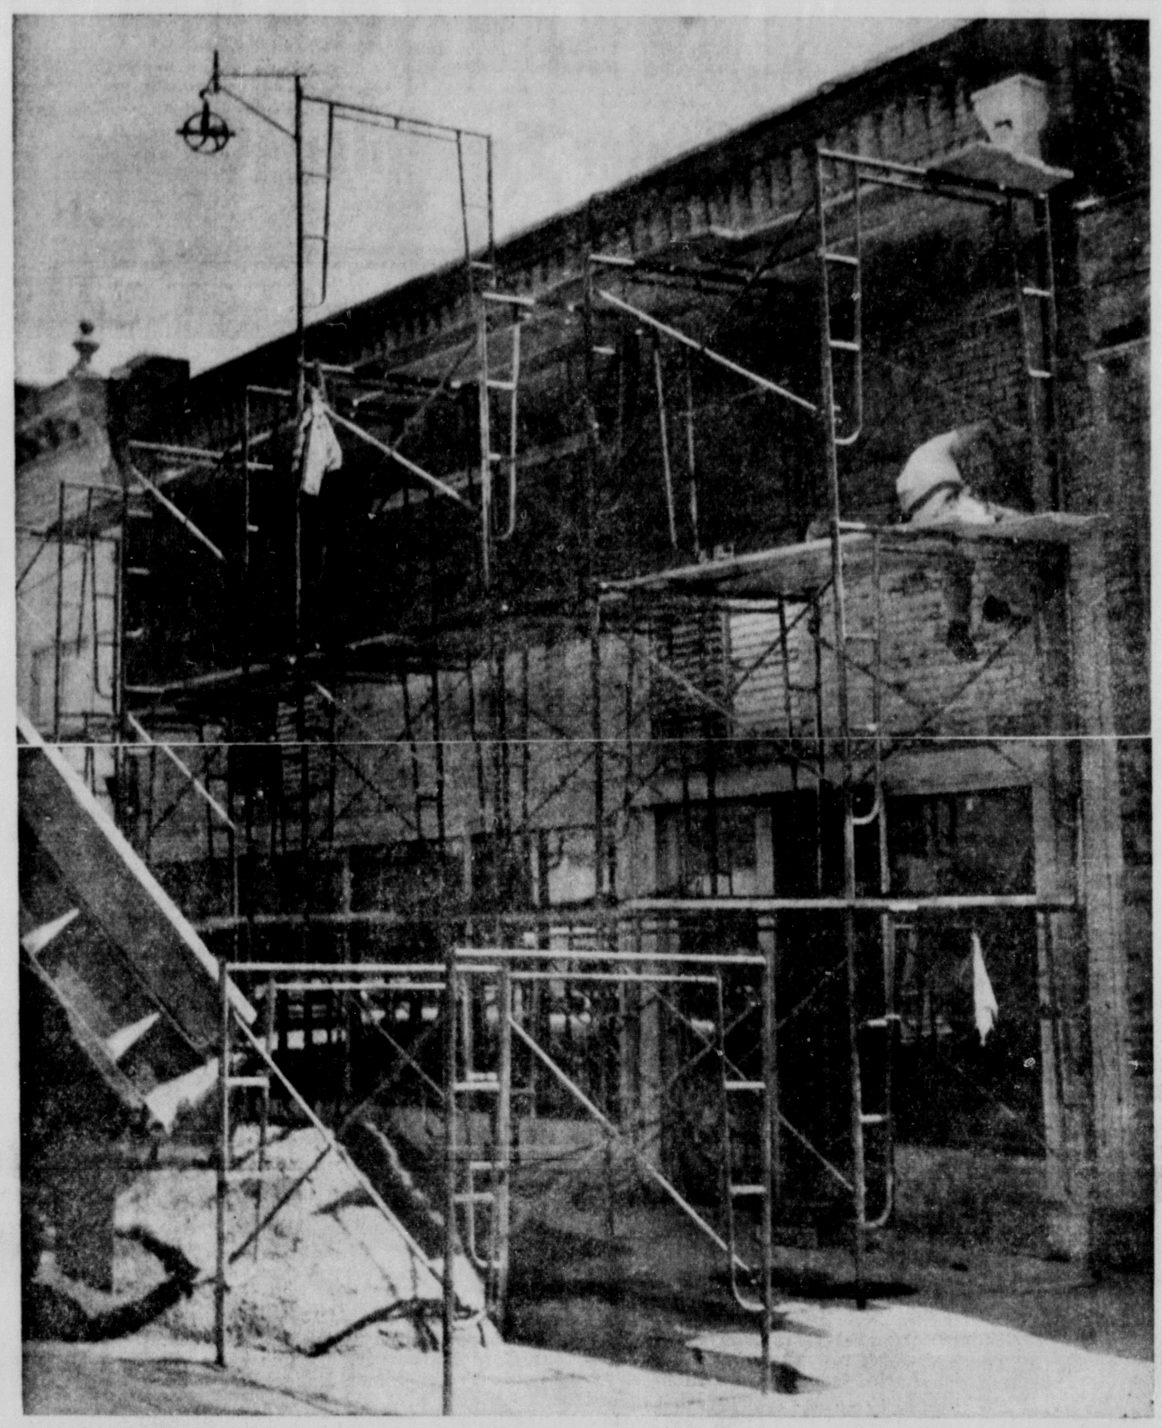
VOL. 108 NO. 9 | Price 10c Per Copy | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, MAY 18, 1967 | All Departments OX 7-4671 | 10 PAGES TODAY



NEW FRONT UNDERWAY — North side of the Hornung Hatchery Bldg. is being moderinized by workmen. This side of the building fronts on First Street in downtown Cameron. It is the latest among building improvements in Cameron.

City Gets Plan For 100-Block Paving

COUNCIL VIEWS 1-INCH THICK PRESENTATION

The City's approximate 100-block paving program Tuesday went to the City Council in an inch-thick plan prepared by Joe J. Rady, Inc., consulting engineers of Fort Worth.

Ed Apel, of the Fort Worth firm, presented the plan of maps, street profiles that has been worked out during a three-months planning program with the assistance of Public Works Supt. J. B. Earle.

Councilmen and Mayor Bassel Wilson reviewed the prospects of the program during a three-hour meeting Tuesday.

Bids would be taken for the actual contract work and paving of the street program. Financing for streets and curbing would be handled by Texas Securities, of San Antonio. Tom Anderlitch, of that firm, was scheduled but not present at the Tuesday meeting, officials said.

PETITION EARLIER

One delegation from East 16th St. previously petitioned to be included in the project, which would easily be the largest single street program in Cameron's 121-year history.

Curbing would be at the option of the property owner, but paving would be mandatory, according to the City's proposed plan.

Councilmen also discussed additional work at Cameron Airpark to include a "tie-down" area, along the highway side of the airport for visiting planes. A tentative date of June 24 has been set by City officials for an official opening of the Airpark. Pilots from around the state, high public officials and area residents are expected to make the opening day a large event, officials said.

In routine reports, Councilmen noted three new water installations, three water service repairs and cleaning of five sewerlines and the well at Little River Station.

Earle's report showed mowing of empty lots and blind intersections continues, and mosquito control efforts planned. Striping of the runway is about completed at the Airpark while work on the Reception Room is about complete.

OFFICE EQUIPMENT

The City also has added a new copying machine and is awaiting delivery of an additional posting machine.

The City Street Program, as announced February 23 in a map drawn by Earle for publication, showed about 90 blocks of new, asphalt paving throughout north and northeast sections of residential paving.

For many, it would be the first permanent streets in the town's history.

The plan also includes the alternate cost of the City doing the work, but it is apparent that outside contractors will be sought on a bid basis.

Additional areas may have been added, but the 90 blocks previously announced were:

SIXTH STREET—From Jefferson to Jackson.

WALLACE BLVD.—From E. 12th St. to Cobb property.

JACKSON AVE.—From E. 18th St. to E. 21st St.

13TH STREET—From Washington Ave. to Harding Ave.

HARDING AVE—From E. 10th

60 Young Contestants

Broiler Show Saturday

Contestants in the Milam County Junior Broiler Program will display their best poultry Saturday morning at the Dusek Building on 1st Street in downtown Cameron.

A Junior Judging Contest for contestants only will be held at 8:30 a.m. with Certificates of Merit awarded to winners. Official judging of the entries will begin at 9 a.m.

C. B. Ryan, Poultry Science Department, Texas A&M University, will judge the poultry.

Sponsors are asked to pick up their broilers between 1 and 4 p.m.

An Awards Banquet, with sponsors accompanying their grower, will be held at 7:30 p.m. Saturday in the Methodist Fellowship Hall. Fredwill Hornung, chairman of the program, said banquet tickets were being mailed to growers and sponsors this week. Additional tickets for sponsors' guests and parents of contestants are available at the Chamber of Commerce office.

Saturday's broiler show will climax an eight-week growing program that began March 24 when 60 sponsors presented baby chicks to young contestants on the courthouse lawn. From a flock of 50 chicks the grower will select the five best broilers to enter the show Saturday.

Each grower qualified for the program by his or her membership in the County 4-H or school FFA chapters. The chicks have been raised according to FFA and 4-H specifications.

The show and judging Saturday will mark the 13th consecutive broiler program sponsored by the Cameron Chamber of Commerce.

Members of this year's Broiler Program are: Hornung, chairman Charles Brady, Bill Arthur, Allen Dodson, J. D. Moore, Ronnie Bailey, Monroe Fuchs and Leo Fuchs.

Summer Baseball Starts Friday

Organization of Cameron's Summer Little League baseball program has been completed with action to get underway this Friday at the Little League Park.

The Indians will take on the Yankees Friday night and the Cardinals and Bears meet Saturday night to get the first weekend of play underway. Game time is 8:30 p.m. following the Minor League game between the White Sox and the Yankees at 7 p.m. Saturday the Hustlers and Lions play in ML.

President of the Little League program is Ollie Gray Chamberlain and Mrs. Louis Hollas is head of the Women's Auxiliary.

Teams, coaches and members have been announced as follows:

LITTLE LEAGUE

Yankees: Peanut Barron, mgr., John Barron, Jeff Smitherman, Craig Friemel, Bruce Zarosky, John Thompson, Mike Young, Gene Kopriva, Chester Buchanan, Charles Eanes, David Eanes, Tommy Braden and Johnny Alvarado.

Indians: Birdie Shumate, mgr., David Hollas, Gary Fuchs, Mark Darilek, Mark Jeter, Roger Reed, Al Matula, David Tucker, Lewis Tindall, Brian Friesenhahn, Steve Lopez, Ronnie Chamberlain, Mike Mueck and Fred Rangel.

Bears: Nathan Lewis, mgr., Alva Ray Mullinax, Donald Fleming, Michael Trdy, Gary Trdy, Kenneth Dusek, Alex Cochran, Eugene Noey Carl Burnett, James Burnett, Mike Mortimer, Jeffery Baggerly and Glynn Cummings.

Cardinals: Johnny Springer, mgr. Glenn Cryer, Dennis Hardwick, Gary Thweatt, Mike Malone, Ricky Hollas, Ricky Williams, Gene Mit-

Remedial Summer Classes Scheduled For City Schools

Cameron Independent School District will conduct a Remedial Summer School for six weeks, June 12 through July 21.

The students will participate on a volunteer basis. Supt. D. R. Dodson said the summer work would not change a student's grade level, but it is designed for remedial work with the intention of strengthening students in major subjects.

He said that if more students volunteered for the summer school than the staff could handle, selection will be made on the basis of first-choice-students with averages below 75 and second-choice of students with averages of below 80.

Subjects offered will be:

Remedial Reading - Grades 1 through 8.

Remedial Science - Grades 4 through 8.

Remedial Math - Grades 4 through 8.

Remedial Social Studies - Grades 4 through 8.

Remedial Language Arts - Grades 4 through 8.

Grades 1 - 3 will be taught at Ben Milam School and Grades 4 - 8 at Ada Henderson School.

Spring Closing At City Schools

The spring semester for Cameron Public Schools will end Monday, May 29, with students returning Wednesday, May 31, for report cards. St. Anthony School will start final exams this week with Play Day Wednesday, May 24, and students returning for report cards Friday, May 26.

Supt. D. R. Dodson said school buses would run at the regular time May 31, returning about 9:30 after report cards have been issued.

Graduation for 8th grade students at Ada Henderson School will be 1:45 p.m. Monday, May 29 in the Yoe Gymnasium.

Nineteen St. Anthony 8th grade students will have graduation exercises at the 8 a.m. Mass Sunday, May 28, at St. Monica's Church.

Yoe High Baccalaureate will be at 8 p.m. Sunday, May 28, at Yoe Field and Commencement will be at 8 p.m. Tuesday, May 30, at Yoe Field. Commencement speakers will be Valedictorian Steve Smith and Salutatorian Don Manley.

Awards assembly for Yoe High School will be 10:30 a.m. Friday, May 19.

Baccalaureate for O. J. Thomas graduates will be at 4 p.m. Sunday, May 28, in the O. J. Thomas gymnasium. Commencement for O. J. Thomas seniors will be 8 p.m. Wednesday, May 31, at the OJT auditorium.

Joe Martin Well Rumored Flowing Up To 150 Barrels

Milam County's new discovery, the Luling Oil & Gas Company No. 1 Joe Martin, has been producing a good many rumors as well as oil since it was brought in as a flowing well last week.

Most of the rumors concern the amount of production. Figures mentioned are: 100 barrels a day, 8 barrels per hour, 70 barrels a day, and the latest one, 150 barrels per day.

Potential test either has not yet been run on the wildcat, or has not been filed by the company, so it is not possible to check the figures.

One report was that the Joe Martin was producing from the Wilcox, although it was scheduled as a Navarro test.

This may be the case, since the wildcat is located in the same area of south Milam as the Huber Corporation's No. 2 H. H. Coffield Unit, the 84 barrel per day Wilcox discovery that opened up the Bur-Mil Field early this year. Apparently the Joe Martin will extend the new field.

Location of the new discovery is on a 50 acre lease in Smith Vincent Survey, six miles south of Milano and about a mile from the Lee County line.

TWO MILAM MEN CHARGED WITH T'DALE SHOOTING

Two Milam County men, ages 19 and 21, fired bullets from a 22 gauge automatic rifle into a class room at the Thorndale School and into the Thorndale Firemans Hall Monday night.

They were arrested about an hour later at a house west of San Gabriel.

Sheriff Carl Black said the men fired shots into a window of the new Thorndale school where an evening driver education class was being held. Twenty-nine students and an instructor were in the room.

One student was treated for head cuts caused by flying glass and one bullet sped just above students' heads, lodging in a blackboard.

The men also fired rifle shots into the Firemans Hall which was not occupied at the time.

Sheriff Black said the shootings occurred about 7:45 p.m.

Gerald Rosenthal, 21, of Thorndale and Johnny Stifflemire, 19, of Houston were arrested about 8:30 p.m. at Stifflemire's parents' home west of San Gabriel. Black said both men had been drinking.

They were charged with firing into a public building. Rosenthal is in Milam County jail and Stifflemire has been released on $2,500 bond.

Thieves Ransack 3 Homes In W. Milam

Sheriff Carl Black reported three homes entered in the Thorndale-San Gabriel area during daylight hours last week. Guns and clothing were missing in each house.

Black said the Hope Camp, Edward Patschke and Henry Barber homes had been broken into while the owners were away. He said the houses were ransacked and a total of 8 guns and rifles, clothes, jewelry and silver were missing.

Board Hires Teachers

Yoe Improvements Planned

Cameron School Board approved hiring of two new teachers for the 1967-68 school year, appointed a committee to call for bids on clean-up work at Yoe High School, and considered a project to improve the library at their regular meeting Thursday night.

Supt. D. R. Dodson said the Board approved the appointment of Isaias Almazan, Jr. to teach in the science department and Miss Patricia Titsworth as girls physical education instructor.

Almazan is originally from Georgetown and will graduate from Texas A&M University this spring. He also attended Tarleton Junior College.

Miss Titsworth, daughter of Dr. and Mrs. Robert Titsworth, Cameron, will receive her degree from Sam Houston State in August.

Dodson said 4 vacancies remain on the staff for next year. Teachers retiring at the end of this semester will be Miss Dallie Young, girls physical education instructor, Mrs. Charlie Nabours, 5th grade teacher, and Miss Louise Green, commercial subjects teacher.

The Board also discussed sandblasting and a general clean-up of the Yoe High building exterior. A committee named to draw up specifications for bids includes Dr. John Martin, chairman Forrest Sapp, Charles McDermott, Coleman Duncum and Supt. Dodson. The Yoe High interior was repainted and floors sanded and refinished last year.

The committee will also oversee improvements in the Yoe High Library. Plans are to install new shelving and some new library equipment and furniture. About $11,000 has been spent on books for the school library in the past year, but no new shelves or furniture added in recent years.

A committee is also investigating a proposal to air condition the band hall. Lane Horstmann is chairman and members of the committee are Calvin Cobb, Coleman Duncum and Supt. Dodson.

Literacy Council To Meet May 26-27

The Milam County Literacy Council will hold a literacy workshop for teachers 7 to 10 p.m. Friday, May 26, and 9:30 a.m. to 3:30 p.m. Saturday, May 27.

It will be conducted at Cameron Public Library by Mrs. Marion Vann, director of the Baylor Literacy Center, Waco, according to Mrs. Ed Magre, secretary of the Milam Literacy group.

Historical Group Meeting In Rockdale

The Milam Historical Association will meet 3 p.m. Sunday at Rockdale State Bank Community Room for its second meeting since April organization.

Miss Mary Belle Batte, president of the organization, said that efforts will be directed to outlining projects for historical development.

City Council Hires Marlin Patrolman As Cameron Chief

Ray Griffin, 33, of Marlin has been named Chief of Police for Cameron. He will assume his new duties June 1.

Griffin is a native of Rosebud. He has worked at the Falls County Sheriffs office, the Pasadena police force and is presently a patrolman in Marlin.

E. L. Michelson, night patrolman for the City since February, resigned without advance notice Thursday, May 11, to return to New Braunsfels.

25th Charter Presentation . . . .

Lions Cub Pack Due Honor

A Cub Scout charter presentation will be made to Cameron Lions Club Pack 213 Monday, a charter to the oldest continuous cub pack in the eight-county Heart O' Texas Council.

Bill Storey, Tejas District Scout executive of Cameron, says Leo Lee, of Waco, assistant Tejas Council executive leader, will make the presentation to Lions Club officials.

OFFICIALS

Lane F. Horstmann is committee chairman, and Bill Hornung is cubmaster. Club institutional representative is E. O. Schiller Jr. Assistant cubmaster is Albert Michalka.

Den mothers are: Mrs. Derwood Cobb, Mrs. Louis Hollas, Mrs. Joe D. Zarosky, Mrs. Albert McCullin Jr., Mrs. Albert Michalka, and Mrs. Marvin Haag.

Committeemen from the Lions Club are Richard Williams, Forrest Sapp, Marvin Nance and Derwood Cobb.

A number of the present officials of the organization have the same names as original charter members of the cub pack.

Twenty-five years ago, the pack was organized with 29 members. Cubmaster was Guy Haynes, chairman A. W. McCullin. Pack committeemen and officials were H. H. Stedman, W. A. L. Robinson, Mrs. W. A. L. Robinson, Mrs. J. E. Johnson and Mrs. A. W. McCullin

ORIGINAL 29

Original members, according to Scout records, were: Charles Brady Jr., Walter Henderson, Robert Johnson, Freddie T. Johns, James Kahler, Gus McClain, Albert W. McCullin Jr., John David Moseley, William Robinson, Bill Bob Batte, Ronald Hudson, Eddy Earl Lankford, Milton B. Winfield, John B. Henderson Jr., Lee McLane, Bill Meideman, Ernest Batte, Charles Chandler, Johnny Lee Mears, Alfred Price, Joe Wardlow, Wallace Collins, Richard E. Shipp, Charles Kahler, James Brice McClellan, Raymond McLeod, William Matyastik, Gene Carmichael and Glen Rosenberg.

Den mothers were Mrs. McCullin, Mrs. Robinson and Mrs. Johnson.

Storey says there is a Scout troop in the Tejas District with 33 years continuous charter. But the Cameron Pack 213 is the oldest continuously chartered pack in the Council.

Mrs. Braden Dies; Services Held Here

Services were held for Mrs. Maudie Williams Braden, 64, at 2:30 p.m. Thursday in the Chapel of Green's Funeral Home.

Burial was in Liberty Community Cemetery.

Mrs. Braden, a former resident of Milam County, died in a Houston hospital Tuesday following an illness of several weeks.

She is survived by one daughter, Mrs. Doris Vater, of Houston three sons, Phillip Braden, Houston, Carlton Braden, U.S. Air Force, San Angleo, and Billy Ray Braden of Cameron; three brothers, Cecil Williams, Cameron, Hubert Williams, Austin, and Chess Williams, of Jacksboro.

New Shop Among Cameron Projects

Grand opening of a new gift shop is one of several projects underway or being completed in Cameron construction news.

The new gift shop called the Back Door Shoppe will open 9 a.m. Friday at the Second and Fannin St. location. It is being opened by Mrs. Emory B. Camp, of Cameron.

A serve-yourself gas station is being constructed on SH 36 within the city limits. Building permit is held by Mrs. Lillian Litzman.

And Hornung Brothers Hatchery is having the north front of the building remodeled on First St.

Expansion work is also underway at Lone Star Beer Distributors at 101 Bowie.

The new gift shop and children's apparel store has a modern interior, the larger area for import gifts ranging from imported candelabra to specialty items of all kinds.

A mirrored wall bears stands of gift items, beside which are paneled mahogany walls. Counters and tables have been antiqued to carry an oriental decor.

The self-service gas station is being constructed on the south side of SH 36. It is down the street from the near completed Smokehouse restaurant.

Old Pioneers' Son Praises Cameron

Mr. Raymond Criswell has recently moved from Rockdale to spend the rest of his time in Cameron. He and Mr. Tommy Bass drove to his mother's and father's graves south of Thorndale Mothers Day to place some flowers and rework the cemetery. He is from a family of 15 children being the 13th one himself. Mr. Criswell's father hunted deer around Minerva back in the 1880's. Mr. Criswell is 75 and feels fine. 9-1tp

RED MEAT PRODUCTION

Red meat production in Texas in March by commercial slaughter plants totaled 147.0 million pounds, up 13.9 percent from the previous months, reports the Texas Crop & Livestock Reporting Service.

Church Sponsors Fellowship Night

By Mrs. Bill Thweatt

The church sponsored a Fellowship Social Saturday night in the Sunday School annex. Refreshments and games were enjoyed by all, followed by good old hymn singing.

Rev. and Mrs. Ben Curtis spent Saturday night with Mr. and Mrs. Elvin Harwell. They were Sunday dinner guests also.

Mr. and Mrs. Hope Jamison Jr. and son were weekend guests of Mr. and Mrs. Hope Jamison.

Mrs. Bill Thweatt, Peggy and Rock were Sunday dinner guests of Mr. and Mrs. Billy Thweatt of Rockdale.

Mrs. Verne Pentecost entertained the "42" party Wednesday afternoon at her home.

Mr. and Mrs. Victor Hughen were at their home here over the weekend.

Jinnie Crver spent Wednesday night with Peggy Thweatt.

Mr. and Mrs. Adolph Stoebner of Travis visited Mr. and Mrs. Walter Senkel Sunday.

Mr. and Mrs. Verne Pentecost visited in Houston over the weekend.

Mr. and Mrs. Bailey Jones of Rosebud and Mr. and Mrs. LeRoy Massengale attended the social at the church Saturday night.

Mr. and Mrs. Giles Burnett of Minerva and Mrs. Will Lake of Cameron visited Mr. and Mrs. Willie Burnett Saturday night.

Mr. and Mrs. Leland Burnett and family spent Sunday with Mr. and Mrs. Willie Burnett.

Mrs. Luther Todd was home Wednesday and attended the "42" party at Mrs. Verne Pentecost.

Mrs. J. D. Martin attended a shower Thursday evening in honor of Miss Bess Maples, teacher in Ben Milam School at Cameron. Hostess was Mrs. Buddy Ballew.

Mr. and Mrs. Carl Cooper and boys attended church Sunday with Mrs. Willard Cooper.

Mrs. Hope Jamison went to Freeport Sunday with her son, Hope Jamison Jr.

Mrs. Brad Fuller and daughters, Ann and Jan of Dallas spent the weekend with her parents, Mr. and Mrs. Jack Pond. They attended the social at the church Saturday night.

Harry White visited his mother in Halbert Hospital in Rosebud Thursday afternoon.

• Maysfield

By Mrs. J. P. Wise

Mothers Day guests of Mr. and Mrs. Eldred Massengale were Mr. and Mrs. A. D. Baird and children of Freeport, Mr. and Mrs. Billy Barton and children, Miss Marguerite Massengale and Miss Jean Hart of Austin, Mr. and Mrs. Ed Weeren and daughter of Abilene. Mr. Massengale, who has been a patient in St. Edward Hospital, was able to return home Sunday afternoon.

Mr. and Mrs. Carl Cooper and sons of Bastrop spent Mothers Day with his mother, Mrs. W. C. Cooper and attended church services at Little River Baptist Church.

Weekend guests of Mrs. John Thweatt were Mr. and Mrs. A. D. Brown of Houston and Mr. and Mrs. Paul Kieke and daughter of Austin, and Mrs. Jimmy Thweatt and children of Calvert.

Mr. and Mrs. Johnny Yates had the following guests during the weekend: Mr. and Mrs. Frank Patzke and sons of Freeport, Mr. and Mrs. Dwyane Jekel and son of Granbury and Mike Henderson and Johnny Yates Jr.

Mr. and Mrs. Bill Wise and children of Angleton were weekend guests of his parents, Mr. and Mrs. J. P. Wise.

Mrs. H. W. Massengale of Cameron visited her son and daughter-in-law, Mr. and Mrs. Leroy Massengale Sunday.

Mr. Roy Newton is a patient in Newton Hospital at this writing. His son, Bob Newton of Austin visited his parents over the weekend.

Mr. Ralph White and Miss Mary White of Dallas visited his mother, Mrs. Vina White last weekend.

Mr. and Mrs. Donald Thweatt and children of Belton visited his parents, Mr. and Mrs. Gilford Thweatt Sunday.

Sunday guests of Mrs. Belle Tyson were Mr. and Mrs. Clarence Dodd and children of Austin and Mrs. Ruby Morris of Milano.

Weekend guests of Mrs. Herbert Thweatt were Mr. and Mrs. Jodie Vrana of West and Mr. and Mrs. Herbert Thweatt Jr. of Austin.

Mrs. W. C. Freeman, Mrs. E. S. Hollingsworth, Mrs. Roy Newton, and Mrs. J. P. Wise attended a "42" party at the home of Mrs. Verne Pentecost Wednesday.

Mr. and Mrs. Onnie B. Owen of Houston visited her mother, Mrs. J. C. Freeman. Mr. Owen also visited his mother, Mrs. S. W. Gaines in Waco.

The Shopping Center For Milam County

WELCOME NEWCOMERS

HEFLEY-STEDMAN STAFF — These men offer 180 years of experience with Ford. Back row, from left: Harry Davis, H. H. Stedman, Dana Monroe, Alvin Meyer, L. W. Stroup Jr., Clifford Schrank, Sam Janes, Vernon Reimer. Front row, from left: Martin Susik, Clifford Marburger, Lonnie Clinard, Louis Vrazel, Simon Rangel.

Hefley-Stedman Ford Offers 180 Years Experience, Know How

You don't run an auto agency with accumulative experience of 180 years without knowing considerable about the Ford cars you service and sell.

That's the case of Hefley-Stedman Motor Co., owned by H. H. Stedman since 1930, but who had operated a Ford agency in Smithville since 1924.

The agency in 1930 was known as Hubert Hefley Motor Co. when Mr. Stedman purchased it.

The Hefley-Stedman Motor Co. is that happy combination of long experience and modern know how. Mr. Stedman's office is lined with Distinguished Achievement Ford Dealer awards, Ford Gold Car Awards, Goodyear dealer citations and pictures of Ford executives citing his years of service and those of Hefley-Stedman employees.

Not all Ford dealers have these awards. And not all auto dealerships have developed the experienced staff that promises good service and sales assistance in the showroom or on the used car lot.

L. W. Stroup Jr. and Sam Janes join Mr. Stedman in sales and sales supervision. They work with an usually large stock of new and used cars on hand. And they can offer the personal advantages of agency financing in automobile purchases.

Alvin Meyer, office manager, is the senior employee with 26 years in the office.

Harry Davis is shop service manager, a veteran of 18 years meeting and serving the automotive public.

He is backed up by experienced men in a wide, complete range of service departments. Clifford Marburger has 18 years as key mechanic, Simon Rangel 16 years as bodyman, Martin Susik 16 years as mechanic, Louis Vrazel, seven years. Clifford Schrank, five years and Lonnie Clinard two years in lube work.

In parts department, Vernon Reimer has 18 years experience and is now parts manager, and Dana Monroe has eight years experience in the parts department.

Practically all of these men have had numerous, not just one or a few, training courses in special Ford schools in Houston.

It takes that kind of training to maintain the up-to-date Ford operation that can handle all kinds of transmission, motor, air conditioning and body shop needs.

It is the complete modern and experienced Ford dealership, one of the most complete in Central Texas and certainly the most experienced auto dealership in Cameron.

Supt. Harbour Sets Closing Schedule For Rogers Schools

ROGERS

The calendar of closing events of the Rogers Public Schools has been released by Supt. F. F. Harbour, for the current school year.

The annual Awards assembly will be held May 17, senior examinations May 18 and 19, and the annual staff party May 19. Baccalaureate will be May 21 in the gym, followed by the senior trip on May 22. Underclassmen will take their finals May 24 and 25 according to the principal's schedule. May 25 will be the last day for all students in grades one through 11 to attend classes.

Senior Class Commencement will be May 25 at 8 p.m. May 26 will be Teachers' Day in the system. Eighth grade promotion exercises will be held that night at 8 in the gym.

May 27 will be the last day of the school year. Students will pick up report cards at 9 that morning. Buses will run one hour later than usual to pick up students, and will take them home.

RHS Organizations Have New Officers

The Rogers High School Chapter of the Future Homemakers of America held its regular monthly meeting Tuesday in the school cafetorium, with the president, Anita Brenek in charge. Jeanette Klement was installed president for the 1967-68 school year.

Other officers are: Karen Schnieder, first vice president; Geraldine Brenek, 2nd vice president; Carolyn Sitz, 3rd vice president; Jerlene Hoelscher, 4th vice president; Judy Hoelscher, 5th vice president; Brenda Innmon, historian; Marlene Schiller, secretary; Diane Svajda, treasurer; Kathy Stermern, parliamentarian; and Jean Petty, pianist.

Sposors are Miss Brenda Hatcher and Mrs. Marianna Sirny. Refreshments were served during the fellowship hour.

The Medical Careers Club of Rogers High School elected officers for the coming school year at their May meeting Friday, May 12. They are: David Synatzske, president; Mike Heintze, secretary; and Steve Ward, reporter.

Local sponsor is Mrs. Janice Jackson, school nurse. The club is sponsored also by the Bell County Medical Auxiliary with Mrs. Hanes H. Brindley as the Rogers Unit sponsor.

Benefit Barbecue For Rogers Little League

The Rogers Community Service Club is again sponsoring Little League baseball for Rogers and Buckholts communities.

A barbecue will be held on Saturday, May 20 from 6 to 8:30 p.m. at the Rogers High School cafetorium to help raise money for the support of Little League.

• Milano

By Mrs. Billie J. Warren

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Today even kindergarten children study current events — they learn about faraway places and people. When they reach Martha's grade, children are extremely knowing about what's going on in other parts of the world.

They soon discover that children in some countries have few clothing and toys — and even more important, food. Being human, our young Americans want to help.

And they can! They can help clothe and feed the needy. In *church*, they will develop their natural generous impulses and will learn to grasp the values of selflessness and love.

Children need special preparation for life in our jet world. This means being in tune with the new, but it also means reaffirming the old.

Children need to be taught the basic truths of life, the real values, so that in chaotic moments they will still be able to keep their feet planted firmly on the path of faith. Martha is getting the kind of preparation she needs. Is your child equally lucky?

• Burlington

By Mrs. George Logan

Mr. and Mrs. George Logan Jr. and Clyde Logan of Houston spent Mothers Day weekend with their parents, Mr. and Mrs. George Logan Sr. at Rosebud.

Mr. and Mrs. G. Fincher and family of Houston visited Mr. and Mrs. Willie Sapp last weekend in Rosebud.

Johnnie McIntosh has been a patient in the Veterans hospital in Marlin for several days.

Mrs. Flonnie Dodson has been a patient in the Halbert Hospital at Rosebud for several days.

Mrs. Nellie Kevil left Saturday for Kansas City, Mo., for a visit to her son, Foy who is ill at his home there. She plans to be gone a week.

Friday Deadline For Cotton Allotment Vote

Cotton producers in Milam County are reminded by Ted Ford, chairman of the Agricultural Stabilization and Conservation County Committee, that Friday, May 19, is the last day to vote on the transfer, by sale or lease, of upland cotton allotments outside the county. Ballots were mailed on May 12 to all cotton producers of record, and the referendum started May 15.

Ballots may be mailed or delivered in person to the ASCS county office, but they must be in the office or be postmarked not later than May 19. A ballot in an envelope postmarked after that date will not qualify as eligible.

The vote will decide only the question of whether a farmer in this county can sell or lease his cotton allotment to someone who would use it in another county of this State. In no case can transfers be made outside the state. A two-thirds affirmative vote will permit such transfers during the next 2 years -- 1968 and 1969.

Farmers are cautioned to follow all instructions in marking their ballots. They should be sure to sign the certification -- or the producer's mark should be witnessed -- on the back of the envelope sent to them by the ASCS county office. This serves as evidence that the ballot was marked by the producer personally without undue influence by any person. Ballots are kept secret, although the counting of the ballots is public.

This public counting of the ballots will take place May 24 at 8:30 a.m. in the ASCS county office. Because the transfer of cotton allotments is so important to growers Ford said he hoped that a large percentage of the county's cotton producers will cast their ballots. Any cotton producer in the county who has not received a ballot is urged to get in touch immediately with the ASCS county office.

WASPS CAN BE DANGEROUS

Wasps, as a rule, are beneficial insects, but they can become "tough customers" when disturbed. This often happens when they build their nests too close to traffic lanes in and around the home or in trees and shrubbery which may be near a door or driveway. The insects and their nests can be eliminated by the use of insecticides.

Sam Law, a student at Rice University, was a weekend visitor in the home of his grandparents, Mr. and Mrs. C. R. Law. The Laws have as their guest this week Mr. Lee Sens of New Orleans, a former Milam County resident.

Flower Show Awards Given

Mrs. Benny Massengale combined bronze iris and canna leaves in a brass container for the Tricolor Award as the outstanding fresh material arrangement in the Fleur de lis and Civic Garden Clubs spring show "Texas Our Texas." Mrs. Massengale's entry was in the Dallas 'Highlights Galore' section of the Artistic Division and depicted the State Fair of Texas.

Mrs. Kenneth Thweatt won the Award of Distinction in the same division with a dried material arrangement interpreting the trapped Texas soldiers in the siege at the Alamo in 1836. Her entry of dried onion plant and wisteria vine on a wood base was in the San Antonio 'Down Mexico Way' section.

The Show was staged by the two clubs at the Methodist Fellowship Hall Wednesday, May 10, and was open to the public from 3 to 6 p.m. Mrs. Charles Chandler was general flower show chairman and Mrs. Leo Fuchs was co-chairman.

Mrs. Louis Elley won the Sweepstakes Award for the second year with the most blue ribbons in artistic and horticulture entries. She also received Awards of Merit for an African violet, Silver Threads, and a Phileanopsis orchid specimen Mrs. Leo Fuchs received an Award of Merit for an entry of a collection of yellow and rust daylillies.

Ribbons awarded in the artistic division were:

Blue - Mrs. Benny Massengale, Mrs. Louis Elley, Mrs. Kenneth Thweatt, Mrs. John Ryan, Mrs. Leo Fuchs, Mrs. Charles Chandler, Mrs. J. A. Bowling, Mrs. Forrest Sapp and Mrs. John Schigut.

Red - Mrs. Richard Freeman, Mrs. J. J. Heitman, Mrs. Coleman Duncum, Mrs. Laverne Deloney, Mrs. R. G. Grabein, Mrs. Bill Tucker, Mrs. Don Humble, Mrs. Ladis Marek Jr., Mrs. George Hollas.

Yellow - Mrs. W. M. Fanning, Mrs. Frank Luecke, Mrs. Warren Rinn, Mrs. James Camp, Mrs. Jimmy Lester.

White - Mrs. Dan McDaniels, Mrs. Willie Faulkner, Mrs. Gene Smitherman, Mrs. Derwood Cobb, Mrs. Porter Young, Mrs. Monroe Fuchs, Mrs. E. D. Chandler.

Horticulture ribbons awarded were:

Mrs. Louis Elley, 5 blue; Mrs. Leo Fuchs, 4 blue; Mrs. Don Humble, 2 blue, 1 red, 1 white; Mrs. Ladis Marek Jr., 1 blue, 1 white; Mrs. George Hollas, 1 blue, 1 red; Mrs. Frank Luecke, 1 blue; Mrs. J. A. Bowling, 2 blue, 1 red; Mrs. John Schigut Jr., 2 blue, 1 white; Mrs. Forrest Sapp, 2 blue; Mrs. Jimmy Lester, 1 blue, 1 red; Mrs. Gene Smitherman, 1 white; Mrs. John Ryan, 2 blue, 1 yellow; Mrs. R. G. Grabien, 1 blue;

Mrs. Richard Freeman, 1 red, 1 yellow; Mrs. Lavern Delony, 2 blue; Mrs. Albert McCullin, 2 blue; Mrs. Kenneth Thweatt, 3 red; Mrs. Dan McDaniel, 1 red, 1 yellow; Mrs. Gib Terry, 3 blue, 1 yellow; Mrs. Alvin Dusek, 1 blue, 2 red; Mrs. Willie Faulkner, 2 blue, 2 red; Mrs. Warren Rinn, 1 blue, 1 red; Mrs. Coleman Duncum, 1 yellow; Mrs. J. J. Heitman, 2 blue, 1 yellow; Mrs. W. M. Fanning, 2 blue, 1 red;

Mrs. Bill Tucker, 1 yellow; Mrs. Monroe Fuchs, 1 blue, 1 yellow; Mrs. Benny Massengale, 1 red, 1 white; Mrs. Derwood Cobb, 1 blue; Mrs. James Camp, 2 blue, 1 yellow; Mrs. Charles Chandler, 4 blue.

CIVIC GARDEN CLUB ENDS YEAR WITH BRUNCH, WATER PROGRAM

Members of the Civic Garden Club met at the home of Mrs. Gib Terry, hostess and Mrs. John Ryan co-hostess, for their last meeting of this garden club year. A brunch of hot biscuits with country sausage and dewberry jelly was served and the members each read a scripture from "Precious Memories."

Mrs. W. E. Falkner presented the program which was on water conservation. She showed an outline of the Texas Water Plan which will be voted on June 20. It was noted that in the plan there are 53 proposed new reservoirs. She pointed out how the water once stored would then be channeled to various parts of the state and used for irrigation purposes in regions where great quantities of our food are produced. Increased population in our state, industrial developments and water needed for agricultural purposes were listed as the prime reasons for concern in the conservation of water.

Mrs. M. C. Duncum, club president, was in charge of a short business session. Mrs. Eula Crook and Mrs. Sam Houston were voted as new members of the club.

Announcement was made that the Civic Garden Club was presented a state award at the recent convention in Houston for 100 percent participation in the President's Book. Mrs. Leo Fuchs was honored with a presidential citation for outstanding sefvice connected with her duties as state treasurer in transferring part of the duties to an executive treasurer employed at the headquarters office in Fort Worth.

The club voted to place the book "Stepping Stones" into the Cameron Public Library in memory of the late John Sapp.

Mrs. Duncum conducted the installation service for the officers for the next year as follows: Mrs. J. A. Bowling, president; Mrs. W. E. Falkner, vice president; Mrs. John Sapp, recording secretary; Mrs. M. C. Duncum, treasurer; Mrs. John Ryan, corresponding secretary; Mrs. Frank Schiller, parliamentarian; Mrs. W. M. Fanning, scrapbook; Mrs. Leo Fuchs, reporter. Mrs. Duncum concluded the service with this anonymous selection -

From your last year.
Select the love and kindly, friendly deeds;
Throw out the disappointments,
And take out the burs and tangleweeds;
And keep only the best that grew
For next year's garden seeds.

The newly installed president, Mrs. Bowling, spoke briefly, presenting a few plans for the new garden club year. She appointed Mrs. Leo Fuchs and Mrs. R. G. Grabein to sefve on the program committee along with Mrs. W. E. Falkner, the chairman.

Hair Fashions Is HomemakerProgram

The Rogers Chapter of Young Homemakers of Texas met Monday night in the school cafetorium. Mrs. Mary Ann Young presided over the business meeting.

Mrs. Faye Belicek, owner and operator of Faye's Beauty Shop in Rogers gave a program on wigs, wiglets, and falls.

Refreshments were served the 18 members and guests present. No regular meeting will be held in June.

Lawn Party Fetes Miss Linda Farrell

Linda Farrell, graduating senior of Rogers High School, was honored with a lawn dinner-party at the home of Mrs. Mae Bigham Friday night. Linda is the daughter of Mr. and Mrs. Hulon Farrell of Rogers.

Assisting Mrs. Bigham were Mrs. Edith Starnes, Miss Iris Williams, Miss Valera Williams, and Mrs. Farrell. Special guests were Mr. and Mrs. B. F. Harbour, Mr. and Mrs. J. L. Chervenka, Mrs. Alta Seay, Miss Mary P. Culbreth, Mr. and Mrs. Donald Godwin, Mr. and Mrs. Jerry Brentham, Mrs. J. H. Merka, Mr. and Mrs. Arthur Martin, Mr. and Mrs. H. L. Farrell of Taylor with children, Fred Williams, Mr. and Mrs. A. A. Kretschmar, Mrs. Ada Jean Cowen, Mr. and Mrs. W. C. Evans Jr. of Little River, Miss Brenda Hatcher, Mr. and Mrs. Lewis Sirny, and 40 seniors of Rogers High School. Also Steve Ward, Marsha Guess, and Vicki Ray.

Miss Farrell's graduation will end a continuing line of Crenshaw family members enrolled in the Rogers school the past 66 years.

The class colors of white and gold were carried out in the decorations.

It has been a tradition for many years for Mrs. Bigham to give a party at this time of year honoring one or more members of the graduating class.

MRS. CHARLIE FRANK ANGELL

Ceremony Unites Clore - Angell

Miss Sherri Anne Clore and Pvt. Charlie Frank Angell, Jr. were married at 7:30 p.m. Friday, May 5, in the Ft. Polk Chapel, Ft. Polk, La. Chaplain Bouldon performed the double ring ceremony.

Parents of the bride are Mr. and Mrs. John A. Schmidt of Cameron and Mr. and Mrs. John L. Clore of Houston. Pvt. Angell is the son of Mr. and Mrs. Charlie F. Angell, Sr. of Temple.

The bride wore an A-line floor length gown of white peau de soie with a bodice of lace over silk organza fashioned with scallops at the neck and on the bell sleeves. Her finger-tip length veil of silk illusion fell from a white flower edged with seed pearls. Her bouquet was of white carnations.

Miss Lesley Bice of Austin was maid of honor. She wore a pastel green floor length A-line gown with matching bow in her hair and carried a single long-stemmed white carnation.

Pvt. Ray Lanclos was the best man. Ushers were Pvt. Frank Brick and Pvt. Ricky Davis.

The bride will complete her freshman year at Howard Payne College before joining her husband at Ft. Knox, Kentucky in June. She was valedictorian of the 1966 Yoe High graduating class.

Pvt. Angell, also a 1966 graduate of Yoe High, will enter Officer Candidate School at Ft. Knox after completing AIT School there.

Mrs. John Hollaway announces the engagement and approaching marriage of her daughter, Johnnie Lynn Cochran, to Johnny Krenek at 3 p.m. June 24 at St. Monica's Catholic Church.

LUNCHEON FOR HISTORY CLUB CONCLUDES YEAR

The Cameron History Club ended their year with a traditional luncheon Saturday at the home of Mrs. John Howard.

Hostesses for the final meeting were Mrs. Howard, Mrs. Roy Law, Mrs. W. G. Gillis, Mrs. Emory Camp and Mrs. John Rosson.

Yellow day lilies decorated the living room where tables for four were arranged for the luncheon. Gardenias centered each table. A menu of crab imperial, aspic salad, green beans with cheese sauce, bread sticks and Bavarian cream was served.

A humorous program reviewing the year's study theme "The Past Speaks", was presented by Mrs. John Rosson. Each member that had a program during the year participated in the review.

Mrs. George Watson, a former member, was a guest.

Parties Honor Senior Girls At Buckholts

The Senior girls of Buckholts High School were entertained with a Coke party on May 8 at the home of Mr. and Mrs. Norman Kuzel. Hostesses were Mrs. Walter Junek and Mrs. Kuzel. Sandwiches, chips, dips, mints, and strawberry shortcake were served. Each girl was presented a gift by the hostesses.

On May 5 the girls were honored with a party given by Mrs. Florine Barkemeyer. The girls went to Temple to eat out, and see a movie, and were later entertained with a slumber party.

On April 29 a cook-out was held in honor of the girls. Hostesses were Joyce Arnold, Doris Mendoza, and Patricia Kamenicky. The girls enjoyed television, dancing, and food.

PERSONAL

Mr. Neal Ethridge is a patient at St. Edward Hospital. Visiting in Cameron with Mr. Ethridge are his sisters, Mrs. Eva Magendie of Tulsa, Okla. and Mrs. T. B. Spell of Beaumont. Mr. Ethridge has been in Corpus Christi with his brother, Giles Ethridge, the past year and returned to Cameron last week to enter the local hospital.

Local UDC Chapter Officers Installed

Mrs. Franklyn Dusek was hostess for the May meeting of the United Daughters of the Confederacy Wednesday.

Mrs. McCrory, chairman, installed officers for the next 2 years. Miss Francis Lesovsky is the incoming president.

Mrs. John Hays read a paper on the life of Jefferson Davis, written by Miss Lesovsky.

Magnolias decorated the party rooms and refreshments served in the dining room consisted of a salad plate with cream puffs and iced grape juice.

Program Announced For Rogers Baccalaureate, Commencement

ROGERS

The Baccalaureate program for Rogers High School will be held Sunday, May 21 in the gymnasium at 8 p.m. The speaker will be Rev. Morris H. Chapman, new pastor of the First Baptist Church in Rogers.

Special music, "I Believe", will be sung by a senior ensemble consisting of Toni Necas, Donna Gunter, Jan Merka, Shirley Harper, Jane Lesikar, Linda Farrell, Art Smith, Robert Trampota, Gary Dubcak, Charles Jones, Donald Kotrla, Clayton Waits, and accompanied by Esther Chervenka.

The processional and recessional, "God of Our Fathers", will be played by Mrs. Milton Keith. The invocation will be given by Rev. Joe Cooper, pastor of the First Methodist Church. The benediction will be given by Rev. Anthony Thibodeaux, pastor of the Rogers Christian Church, and of the First Christian Church in Cameron.

The Commencement program for the 1967 graduating seniors will be held Thursday, May 25, at 8 p.m., with Rev. Clyde Nichols, pastor of the First Christian Church of Temple as guest speaker.

Brownie Troop 370 Has First Cook-Out

Brownie Troop 370 enjoyed a cook-out at Wilson-Ledbetter Park Saturday. The girls did all the work themselves, from planning the menu through "cleanup."

Nine Brownies took part in the cook-out. Troop leaders are Mrs. Bill Shelander and Mrs. Flirsh Ermis.

Feed Grain Prices Affected By Crop Prospect Changes

COLLEGE STATION

Feed grain prices will be especially sensitive to crop prospect changes during the next several months due to the smaller stocks on hand, believes John G. McHaney, Texas A&M University Extension economist.

He expects prices to continue higher than a year earlier through this spring, but to perhaps advance less than in the summer of 1966 if the growing season is a favorable one.

If farmers carry out their March 1 planting intentions, they will plant just over 3 million more acres to feed grains than in 1966. McHaney says corn acreage will be increased by just over 4 million and sorghum grain by about 2 million if planting intentions are carried out. But, he adds, oat acreage may be down by 2 million acres and barley by 1 million acres.

A normal growing season this year could see feed grain production near 170 million tons, 13 million more than the near record crop of 1966. But, the economist points out, changes in farmers' intentions and the 1967 growing season could materially change these prospects.

The 1966-67 feed grain supply amounts to about 200 million tons while utilization during the present marketing year is expected to total about 175 million tons. The prospective carryover into 1967-68 of around 25 million tons, plus the prospective production would give a total supply about equal to the 1966-67 supply but 22 million tons below the 1960-64 average.

McHaney says it is too early for forecasting exports for the 1967-68 marketing year. Exports of feed grains during the present marketing year are now expected to fall about 6 million tons below the record of 29 million tons exported last year.

Texas farmers on March 1 reported a prospective increase of 18 percent in sorghum grain acreage; Kansas 4 percent and Nebraska 10 percent. McHaney adds that the May 8 report from the Texas Crop and Livestock Reporting Service shows that sorghum planting is 52 percent complete compared with 45 percent last year.

Your Serviceman

DA NANG, Vietnam

Marine Cpl. Irvin G. Muston Jr., son of Mr. and Mrs. Irvin G. Muston Sr. of Rockdale, was promoted to his present rank, in Da Nang, while serving with Headquarters and Headquarters Squadron One of the First Marine Aircraft Wing.

An electric voting machine invented by Thomas Edison was used as early as 1892.

The solar boats, found in ancient Egyptian tombs, were built to carry the souls of pharaohs through the skies into heaven.

Hood's Brigade Assoc. Activated

The Confederate Research Center of Hill Junior College, Hillsboro, Texas, has re-activated Hood's Texas Brigade Association, a famous Confederate Veteran's group that met annually from 1872 to 1933. Any direct descendant (over eighteen) of a member of Hood's Famous Texas Brigade is eligible for membership. Each member will be presented with a two-color parchment facsimile of the Certificate awarded to the original members of the Association at their annual reunion in Waco in 1889. All of those applications received and verified by June 1, 1967, will be considered for charter membership.

It is planned to publish a semi-annual newsletter and hold annual reunions as the original Association did. Two types of memberships have been designated, regular and honorary. The former is reserved for direct descendants of members of the Brigade, and the latter (of which no more than five will be awarded annually) is reserved for those individuals who have made a worthwhile contribution to Texas Confederate History or have contributed to the Confederate Research Center, either materially or promotionally.

Requests for applications for membership and general inquiries should be addressed to the Confederate Research Center, Hill Junior College, P.O. Box 619, Hillsboro, Texas 76645.

	16.00	18.60

COUNTY AGENT'S NOTES

—By—

J. D. MOORE

Four Bulletins On 'For Sale' List

Because of the increasing demands and printing cost, the Texas A&M Extension Publications advisory council has recommended that the folowing Extension bulletins be placed in the "for sale only" category. "Christmas Time at Home", "Home Lawns", "Quick Meals" and "Salads". Any future publications put in the "for sale only" category will be put there after considerable deliberation and thought and in keeping with the changing times. From one to nine copies may be purchased at the local Extension office. Orders of ten or more copies will be ordered from the information office at A&M.

Today's American farmer is the best informed farmer in the world, and much of the credit must go to our Agricultural Research and Extension. The modern farmer has ready access to a multitude of accurate, timely information -- quite a help at decision making time.

The first attempt to improve the farmers' information was made in 1839 when Congress authorized $1,000 to be spent for distribution of seed and the collection of agricultural statistics. Today, Texas agricultural industry is valued at 2½ billion dollars.

READ CHEMICAL LABELS

Buying chemicals, then reading and understanding the labels can be two different things. A recent survey shows that Texas residents understand a high percentage of what they read on pesticide-chemical labels. They also are aware that there are probably some dangers in using agricultural chemicals, but 82 percent agree that careful use can prevent damage.

Sixty-six percent know the meaning of spray infested area, 62 percent understand infestation, while only 58 percent recognize the products used to kill weeds when they are described as herbicides.

It is evident from answers to a mathematical problem included in the survey that few people (11 percent) know how to figure the amount of pesticide needed to treat a given acreage at a given rate, with commercial pesticide.

Do we understand? The major importance of the Texas pesticide knowledge survey and others, can be summed up in one way - too many people use pesticides without completely understanding label terminology.

Changes in label requirements are always being made, and pesticide manufacturers are revising labels to meet requirements.

County agents have a list of pesticide term definitions in their offices. If the term is not listed, he will contact a specialist who can define the term so you will be able to safely and effectively use the pesticide product.

Livestock Survey For USDA, State

Postmaster Narvie L. Caperton reminds rural patrons of the Cameron Post Office to be on the lookout for June Livestock Survey cards. Next week, mail carriers will leave survey cards in a sample of boxes along their routes.

"USDA bases livestock and poultry estimates on replies to this survey," Caperton explained. "It is important for everyone who gets a card to fill it out and return it to the carrier. This way, USDA gets a representative sample of the area's livestock and poultry holdings."

Survey cards will be forwarded to Cary D. Palmer, State Agricultural Statistician, in Austin. After adding and analyzing these cards, USDA statisticians are able to estimate the State's milk production, calf and pig crops, lamb and wool crops, and the number of hens and pullets.

The first librarian of Congress, John Beckley of Virginia, was appointed Jan. 29, 1802.

It's what's inside that counts

Southwestern Bell installer trucks carry more than 150 different items—from half-inch nails to telephones to coils of wire. Also on board is a careful driver trained to understand the why's and wherefore's of modern communications.

Throughout the nationwide Bell System, each type of telephone truck is equipped with its own standardized parts and equipment. The same equipment that works in Southwestern Bell also works in any other Bell territory. If trouble strikes—flood, tornado, hurricane—telephone men from one company can be rushed to another company to aid in fast, efficient service restoral. There's no delay because of equipment that won't work or men who don't know what to do.

In time of emergency or during a regular work day, Southwestern Bell's goal is to provide the best telephone service possible. Our expert craftsmen and a fleet of 8,000 well-stocked trucks help us do just that.

Happening In Madisonville . . . .

Daily newspapers reported the burning of Madisonville's Madison County Courthouse, perhaps the work of an arsonist.

Problem is, it was believed, that all the records went with the blaze. Madison County had no microfilm duplicates. It is assumed that all records go if a blaze sweeps a courthouse or are heavily damaged.

That would be the situation in Milam County. If a fire ever occurs, as it did in 1874, and the fire and water damage is complete, that is all but it.

Milam County could use the assurance of microfilm because in case of a fire a duplicate set is maintained in a vault elsewhere.

And don't say it can't happen. It did in Madisonville. And what are those people and property owners doing for legal proof of ownership after the past weekend?

'On The Map' . . .

People are always wondering if such and such is "on the map."

Well Cameron, and numerous other towns, are on the East Texas Chamber's "Heritage Trail" map.

And Cameron's Industrial Founda - tion is working on projects that could be a relatively quick, and amazing "success story" for an organization only a year old.

And the Urban Renewal planning application is awaiting its turn for approval. The funding for a six to nine-month planning effort will be completed when all the details of application are approved in Washington.

Cameron's tourists will have an opportunity to see a changing downtown in time to come and residential improvements in streets and homes for people to live in.

It is a map, not an idle dream, of considerable work and reason and restraint. It would have happened before if it had really been wanted or if the same economic facts of life had been scrutinized by enough people.

Cameron is on a number of maps. And we hope the area will plan for the growth so essential and so long sought here.

'SHIRTSLEEVE' TALKS SET FOR USDA - FARMERS

Ralph T. Price, chairman, Texas Agricultural Stabilization and Conservation State Committee, today announced three farm policy meetings to be held this month.

Horace D. Godfrey, National ASCS Administrator will attend all three farm policy meetings and lead discussion.

The meeting for this area will be held May 25, from 1:30 to 4:30 p.m. at the National Guard Armory - off Highway 22, West of Hillsboro, Texas. These meetings are being scheduled as requested by the Secretary of Agriculture in order to learn the current thinking of county, area, and State leaders of farm organizations and of individual farmers. Agency officials are to report to the Secretary the comments and recommendations of those in attendance.

Secretary Freeman recently held three such "shirtsleeves" meetings with farmers in major Midwest States. He returned to Washington convinced that such face-to-face talks are worthwhile in reaching important policy and program decisions.

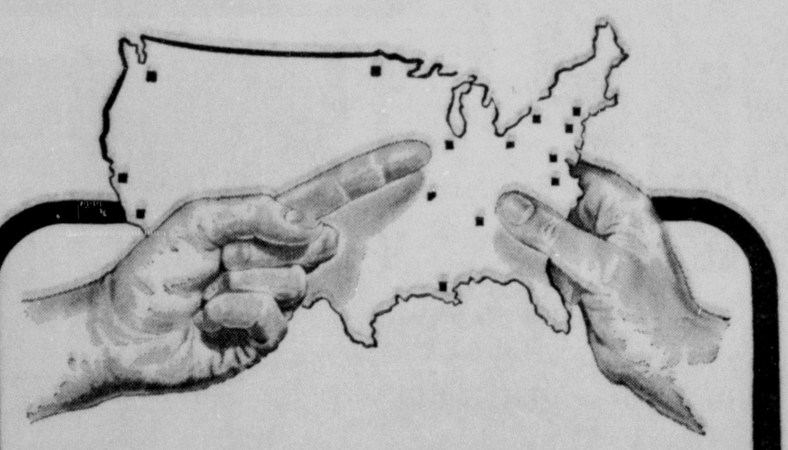
"Along with the statistics I get from our economists," he has said, "I constantly need the personalized and highly specific information that comes out of peoples' experience. I also need the best ideas I can get from farmers and their leaders as to how to improve our programs and improve farm prices and income."

Chairman Price points out that the Secretary has been increasingly concerned about the level of farm prices and the cost-price squeeze on farmers, a squeeze that has become progressively more severe in recent months. He is determined to do everything possible to relieve this situation, and believes that the wisdom and the counsel of State and area farm leaders -- gained in frank and informal personal discussions -- can help the Administration to make the right decisions during this critical period.

The chairman said that special invitations to attend the State meetings have been sent to farm leaders, and that area farmers also are invited to attend. Farmers wil be encouraged to participate freely.

LIST ADA BENEFITS

Texas dairymen recognize increased sales, higher prices and better consumer acceptance of milk and its products as major benefits from American Dairy Association activities.



"BUSINESS HUNTING" is our BUSINESS

Texas Power & Light Company's Industrial Development Division is constantly "Business Hunting" in all parts of the nation.

The payrolls created by new industry stimulate the level of retail trade, residential construction and other business activity.

In cooperation with local and area organizations, TP&L assisted in the location of 52 new industrial firms in 30 towns in its service area in 1966.

Industry is on the move to Texas and the TP&L service area continues to offer outstanding opportunities for new business.

Budget Decisions Face Legislators

By Vern Sanford

AUSTIN

Crucial, make-or-break decisions on state spending confront legislators this week as they enter the windup of their 1967 session.

Senators have submitted a $437,-700,000 budget for 1968. This was followed by a bill providing $55,-500,000 for teacher pay raises (an average of $640 a year).

House action was delayed by printing problems, but representatives were due to take up the Senate bill and substitute their own appropriations measure calling for $449,400,000 in general fund outlays. House bill would leave about $35,-000,000 for such add-on spending as teacher pay raises.

Big unanswered question is whether the House will be able to convince a majority of senators to accept the House appropriations measure without a conference committee.

Speaker Ben Barnes and Gov. John Connally have been working for Senate support of the House bill.

Lt. Gov. Preston Smith and Senate leadership feel differences between House and Senate bills should be worked out as usual -- in a joint conference of five senators and five representatives.

Senate's more generous figure for teacher pay makes the selling job somewhat harder for the House. But the fact that its bill runs some $12,000,000 over the latest general revenue forecast of Comptroller Robert S. Calvert weakens the Senate argument for the bigger pay raise.

Outcome will determine whether the Legislature must go into special session this year to finish writing even a one-year-budget.

Still on the unfinished business list: congressional, legislative and judicial redistricting bills.

STATE PROPERTY TAX END? The proposed constitutional amendment to phase out bulk of the state's 47 cents per $100 valuation property tax levy by 1977 is near legislative approval.

Senate has passed it and the House Constitutional Amendment Committee has recommended it. Proposal would go to the voters in November, 1968.

If measure is approved, all but 10 cents of the state ad valorem tax (that which is earmarked for state college construction) would be wiped out by December 31, 1976.

While this may be cheering news to property owners, it must be noted that the $47,900,000 in revenue must be made up from other sources.

VOTER REGISTRATION PLAN A new voter registration plan, product of a long study, came out of committee for Senate consideration. It immediately ran into criticism.

Bill would require personal registration with tax assessor-collector or authorized deputy at a public place sometime next year. Voters could register by mail for the big 1968 elections. Once registered in the 1968-69 signup, they could renew eligibility by simply signing and mailing back to tax offices a form card between October 1 and January 31 each year. A special supplementary registration period would be held August 15-Sept. 15 during general election years.

Sen. Barbara Jordan of Houston assailed the bill as more restrictive than the present law. She hit sections prohibiting roving deputies and outlawing husbands registering for wives and vice versa. Sen. Tom Creighton of Mineral Wells acknowledged he will have a problem passing his measure in the Senate as it stands.

WATER QUALITY BOARD Bill to establish a Texas Water Quality Board to replace the Water Pollution Control Board has been approved.

Governor Connally recommended the measure as an aid to strengthening water pollution control. Bill will create a seven-member board with its own professional staff and provide for local enforcement of water quality standards.

TRINITY BILL PASSES -- Both houses have passed the bill giving the 17-county Trinity River Authority navigation powers and additional tax leeway to further their long-time goal of barge traffic.

Bill by Sen. Charles Wilson of Lufkin and Rep. Rayford Price of Palestine increases tax exemption for long-lines trucks and buses. Railroads earlier got an exemption as direct competitors of barges.

SAFETY BILL SIGNED - Texas' first major occupational safety bill, designed to cut the soaring industrial accident toll, has been signed into law.

It creates within the State Department of Health a division of occupational safety to be administered by a three-member board, assisted by a safety engineer and an advisory committee. Board would conduct a continuing educational, promotional and enforcement campaign.

AG OPINIONS - Bill creating appraisal service districts and boards for tax appraisal and assessment of property for taxations is unconstitutional, as it eliminates county tax assessor-collector from duties. So ruled Atty. Gen. Crawford C. Martin.

In a variety of other recent opinions, Martin held that:

—In writing a single-year budget, the Legislature can spend only funds in sight during that year.

—Starr County cannot pay telephone bills for a U. S. tick inspector.

—"Texas Treasure Hunt", a soft drink promotion (featuring "lucky" pictures under bottle cap corks) is not a lottery.

—Texas Education Agency can allocate money to political subdivisions to carry out the state plan for vocational rehabilitation if they have power to provide vocational training. (Amarillo Hospital District can spend money for medical and hospital care under vocational rehabilitation districts or school districts to administer program.)

—Proposed transfer to two voting precincts from one justice precinct to another in Bexar County will not create vacancy in either of the offices.

—Harris County cannot retain payment of fine assessed in felony case transferred from Harris County to Brazos County on change of venue.

—Disability benefits under teacher retirement system may be reduced when person receiving them becomes engaged in ganful occupation.

LASSIE AND BEAUTIFICATION

Lassie, the famous collie, is now the Nation's mascot in the war against litter on the highways, and in parks, forests and public recreation areas. Lassie is featured on a new poster and thus becomes the symbol of the campaign to prevent litter, as Smoky Bear has led the fight to prevent forest fires.

The first entry of the United States in Olympic competition was in 1896.

OLD PHILOSOPHER

Dar editar:

According to an article in a newspaper which somebody threw out of a car on the road near my place and which I picked up -- it's one thing to pick up newspapers to help keep America beautiful but I'm going to take a different attitude if they start trying to pick me up on the same grounds -- some residents near a big city air field are suing the airlines for flying too low over their houses, arguing that a homeowner owns the air above his property and consequently the airlines have to get an air easement before they can use it. Otherwise they're trespassing.

I was discussing this with a neighbor and he just scoffed. "They won't get anywhere with that," he said.

"Why not?" I asked.

"You think you own the air above your farm?"

"Sure. Don't you?"

"Nope."

"Not even two feet above your farm?"

"Two feet? Well, sure?"

"How about four feet?"

"Certainly."

"Ten?"

"Of course."

"Fifty feet? A hundred? Five hundred? A thousand? A mile? How high up do you own the air above your farm?"

I could see we both had something to think about and I came on back home to do mine.

It seems to me this opens up a brand new field for lawyers and the courts, because it's obvious a man owns the space above his property some distance at least, otherwise one man could build a house on stilts above another's front lawn.

The question of course is how high up do you own, and since the question never came up at the time I doubt if it's mentioned in the Constitution, although it's possible the Supreme Court could claim it is, as those fellows occasionally can get more out of that document than other people. Wear better glasses, I guess.

DOWNY MILDEW

Both forage and grain sorghums in widespread areas of the Texas Coastal Plains is under attack from downy mildew. The spore-borne disease directly affects the seed-producing capability of grain sorghum. Plant breeders are trying to produce downy mildew resistant lines of forage and grain sorghums.

At any rate, I'd like to get this problem solved, and if any airlines owe me for flying through my air space without permission, I'd like to collect. Next to government checks, I can't think of anything that'd improve the profit in farming more. It's just what I've been looking for.

Yours Faithfully,
J. A.

Homeowners Policy Offers Basic Protection With Single Premium

COLLEGE STATION

The homeowners policy, introduced in 1952, has become one of the fastest and most effective forms of insurance, says Wanda Meyer, Extension home management specialist with Texas A&M University.

Many homeowners prefer this policy because it is more convenient to pay only a single premium for the various types of protection needed. Generally, the single policy is less expensive, too.

In the basic protection of a homeowners policy, liability coverage is usually $25,000. Personal possessions and household contents are insured for 40 percent of the house coverage for loss by fire, theft, etc. An allowance is given for additional living expenses, such as hotel or motel bills, which a family may face if their house is damaged or destroyed.

These policies are written in three major groups depending on the number of perils covered. The standard form covers 11 perils -- fire, lightning, windstorm and hail, explosion, riot, aircraft, vehicles, smoke, vandalism, theft, and glass breakage. The broad form covers an additional eight perils. The comprehensive form covers most risks, except earthquake, landslide, flood, surface water, waves, tidal water, backing up of sewers, seepage, war, nuclear radiation, and those related to deterioration.

The more perils covered in an insurance policy, the higher the premium cost. These costs can often be reduced by including a deductible feature. This means the policyholder pays the first $50 or $100 in certain claim areas.

Under a homeowner policy, if the house is insured for at least 80 percent of its replacement cost, any damage is paid for in full at the replacement cost. When the house is insured for less than 80 percent, only a portion of the replacement value of the loss is paid.

People who rent homes or apartments also can be insured for fire and other perils, theft and liability, under either homeowners or separate policies. In these cases, only their personal property in the house or apartment is covered.

Summer Job in National Forest

Dan (Carl D.) Campbell, 1966 graduate of Rogers High School, has received notice from Congressman W. R. (Bob) Poage of his appointment for a summer job in Sitgreaves National Forest near Holbrook, Arizona. Campbell, a freshman at Temple Junior College, is the son of Mr. and Mrs. A. D. Campbell of Rogers.

Outdoors In Texas

By Vern Sanford

Caddo Lake was created by an earthquake in 1811. For almost 160 years it lay practically unchanged under a blanket of water hyacinths.

Today the entire area is an unspoiled wilderness. Its 50,000 water acres sprawl across the Texas-Louisiana boundary in a network of bayous, ponds, and twisting sloughs.

Formerly the home of the Caddo Indians, the Caddo area was a great swamp of stagnant pools and heavily wooded islands. It was explored by the early-day Spaniards on their westward push. However, they made little use of their find, and the swamp remained as it was for many years.

Then came the New Madrid earthquake! For days it shook the southern states in a series of violent tremors. Finally the floor of Caddo Swamp sank from sight.

When the roiling water finally settled, the present Caddo Lake was formed. It's a twin sister to Tennessee's Reelfoot Lake, born of the same tremors.

Thanks to modern improvements travelers can explore this mysterious swampland with little discomfort.

Caddo Lake is approached and partially surrounded by a number of fine highways. It's only 16 miles from Marshall and 2 miles from Shreveport.

On the lake shore are more than 50 camps and motor courts capable of caring for at least a thousand guests. These places range from modest "rough-it" camps to comfortable motels.

With an average mean temperature of 66 degrees, Caddo Lake compares favorably with any vacation spot.

Spring is the best season to visit Caddo. Then the water hyacinths cover the lake with a pale-violet blanket, and water lilies spread their petals between yard-wide pads.

Here the vacationist will enjoy some of the best fresh-water fishing in America. Chain pickerel are active from November to March; large-mouth and white bass in the spring and early summer; and white crappie, bream, and catfish the year around. So, no matter what season of the year you visit Caddo, you will find good fishing of some sort.

Furthermore, there are no restrictive laws on game fish seasons in either Texas or Louisiana.

One of Caddo's most sought after fishing has been the alligator gar. This battling monster, often reaching 7 feet in length, has aptly been called the "fresh-water tarpon." He is a real tackle-buster and will give even the rugged sportsmen a lively scrap.

For the most part Caddo guides are picturesque. Most of them were born to the traditions of the lake. They know where to find the best fishing and hunting spots. And they will take you there for a reasonable fee.

Fishing predominates but there is lots of hunting, in season, on and around Caddo. Since the lake is situated near the Mississippi, flyway sportsmen from all over the country arrive in the fall to enjoy Caddo duck hunting.

Government statistics show that Caddo Lake has one of the largest sustained duck populations of any body of water its size. Mallard, teal, and black ducks are plentiful, with many flights of the beautiful wood ducks.

Deer roam the swamp and there is an abundance of squirrels and coons. Quail too are found in the cultivated areas.

For anyone craving a quiet vacation, in a place not entirely spoiled by commercialism, yet offering comfortable accommodations, Caddo Lake is hard to beat.
